Good all the time. It removes the languor of morning, sustains the energies at noon, lulls the weariness of night—HIRES ROOTBEER—delicious, sparkling, appetizing. Good as a luxury, good as a tonic.

DET/OUTENO DANGER

It is beyond all dispute a wonderful health-giving drink, and it is very easy for any one to understand why this is so. The root, herbs, barks and berries, from which HIRES ROOT-BEER is skillfully made, are the identical things from which physicians get their most helpful remedies. For instance: Do you believe that sarsaparilla is a valuable remedy? Well HIRES ROOTBEER contains more sursaparilla than many sarsaparillas. The same is true as

It is doing more to advance practical temperange than many people realize. It is used and recommended by the most cautious and conservative temperance people. The most scrapulous abstainer can enjoy HIRES ROOTBEER himselt, and recommend it to others as an agreeable and healthful substitute for the strong drink which he opposes.

It is a homemade and homemaking beverage. It is very easily prepared, and if the plain directions are followed, it will always be good. Every member of the family, from the baby to the grandfather, can enjoy HIRES ROOTREER, and every one of them will have better health for each swallow they take. It improves the appetite, purifies the blood, and tones the whole system. Children especially delight in HIRES ROOTBEER. Its preparation interests them, and its use does them good. In thousands of homes, "HIRES ROOTBEER that mother made," will be among the happiest recollections of childhood.

BEWARE! Do not confound it with other Rootbeer preparations, as it is entirely unlike anything else of the kind. Beware of extracts advertised for making Rootbeer, as they are composed chiefly of coloring matter and oils to give them flavor, which excite the nerves and cause nausca.

Hires Improved Rootbeer packages makes really the most harmless of our fashionable drinks, yet nourishing and strengthening the blood. It cleanses the system of the poisonus humors that develop in kidney and urinary diseases, and in fact, in any case that arises from an impure state of the blood. Hires Improved Rootbeer is offered to the public with full confidence of its merits. It ins no poisonous or injurious properties whatever, and an infant may take it with per-
